## PROGRAM OVERVIEW

The Foundational Life Skills — Real World Ready program is crafted to provide you with practical tools and knowledge to navigate personal and professional landscapes confidently. This **self-paced, fully online program** allows you to engage with interactive content, complete assignments, and submit evidence at your convenience, all while earning recognized NZQA unit standards.

### INSPIRED BY WAYNE BENTON'S ***REAL WORLD READY***

This program draws inspiration from Real World Ready, authored by **Wayne Benton**—a dedicated teacher, mentor, and author committed to empowering individuals through practical education. His book offers ten actionable strategies to tackle life's challenges, focusing on resilience, financial independence, civic responsibility, and overall well-being. Wayne's engaging teaching style and real-world insights have positively impacted many, making complex concepts accessible and relatable. Learn more about Wayne and his work at [waynebenton.com](http://waynebenton.com).
